## Manage your money with SALT!

SALT is a free online resource that helps students and alumni manage their money and student loans. Chippewa Valley Technical College has teamed with the nonprofit organization American Student Assistance to offer this free program to current students and alumni. Join SALT to get free tips and tools to take charge of your money during college and beyond.

### SALT can help you with:

- Tracking and planning your student loans
- Managing student loans and repayment options
- Creating a manageable budget
- Credit and debt management
- Saving and investing
- Find scholarships, internships, and jobs
