COMMENCEMENT

CEREMONY

CREATING CVTC TRADITIONS

At Chippewa Valley Technical College, commencement is a symphony of tradition and symbolism where each ritual echoes the legacy of generations past. As mortarboards soar, they carry accomplishment and the spirit of innovation and resilience ingrained in CVTC's timeless traditions.

Mace: The tradition of this heavy and elaborately decorated pole dates back to the Middle Ages meant to symbolize the college's rank and authority. For CVTC, it represents collaboration and unity, as the College's students designed and 3D-printed the pole for this commencement and those in the future.

Regalia: Scholars wore robes as a symbol of their membership in academia in medieval Europe. Today, the significance of educators donning regalia at commencement symbolizes their dedication to teaching, the pursuit of knowledge and a visual representation of the continuity of education.

Tassel: Moving the graduation cap tassel from right to left is a time-honored tradition symbolizing the transition from candidate to graduate. The gesture embodies the journey of learning, growth and achievement celebrating the years of hard work and academic success.

The list of graduate candidates may be incomplete due to printing deadlines.
This program is not an official college document and
does not certify actual grade point average or that the candidate has
successfully completed degree requirements.

GRADUATES,

**You dared to dream! And today is the day those dreams
become your reality.**

We watched you walk through the doors; perhaps you were unsure if this was the right place for you. We cheered you on for having the courage to reach for your dream. We made sure you knew that we stood by your side as you chose your perfect program. We welcomed you on your first day of school – you with your earbuds in, backpack on. From then on, your instructors stood with you, sharing their knowledge and working with you to secure your future.

Your dreams are our mission, and today that mission is realized. You will graduate from Chippewa Valley Technical College. That achievement is yours. No one else can claim it. This is the culmination of your hard work. But the work doesn't end there.

We know you will commit to your profession with new skills and a lot of determination. And, just like home, you can come back to CVTC anytime for a chat, continuing education, or to explore a new path. We're here for you. We're proud of you!

It's our primary goal always to help you succeed. And we can't wait to see all you accomplish.

Yours in Service,
Dr. Sunem Beaton-Garcia, CVTC President,
and the entire CVTC team.

We are proud to embrace the new CVTC River Otters mascot — a combination of CVTC’s hands-on, collaborative, charismatic and playful spirit.

But our history of mascots does not begin with Ollie, the CVTC River Otter.

The 1970s and 80s saw robust on-campus student activity at CVTC. Sports included basketball, golf, volleyball, hockey, and bowling. The Tech Tiger was the College’s mascot.

In a timeline that is unclear, the Tech Tiger slipped away, and the College went for several decades without a mascot.

Under the leadership and passion of CVTC President Dr. Sunem Beaton-Garcia, CVTC began exploring a mascot that would envelope the College’s unique

traits and the natural beauty of west-central Wisconsin.

Why develop another mascot? That answer is simple. It’s for the students. And their families. And the colleagues. And the alumni. And donors. And partners. It’s for the College community, within our walls and outside.

CVTC is committed to fostering a full-college experience for students. A mascot is a symbol that brings people together to make a positive impact.

River otters utilize the natural beauty of Wisconsin’s waterways and their importance to the region is vast.

Like students and staff at CVTC, river otters rely on teamwork and collaboration to thrive. Ollie the River Otter is a representation of us all.
